B. Defense Attorney Whitepaper

Discussion: Judge O’Neill gives an overview of ideas taken from her May meeting with local defense attorneys. Non-monetary suggestions included the idea of asking an attorney to take a case before appointing. Several attorneys stated they took themselves off the list due to not wanting to be automatically assigned and not have an option to decline. The group also suggested interim billing as cases can go on for a long time and a self-employed attorney would not get paid for long periods of time. Suggestions that would increase cost included pay for mileage and travel to take cases. Use of contracts with private bar attorneys, with agreed upon fee at the end of the year. Offer workspace with printer and phone, desk, lighting, and heat included. Recruit law school graduates with a bonus or assist with small business start up costs. Mentoring program for young attorneys. Heinzl suggested working with MCDEVCO or the Chamber to help attract attorneys to the area.

Action: Judge O’Neill to finalize whitepaper to present in July to the Public Safety Committee.
