# Geocache Notification Form

This form provides notification of a geocache placed on public property. As an organization, we are committed to providing support to managers of public property used for geocaching. Please contact the owner of this cache if there are any issues with the placement. If you have concerns about this geocache and you are unable to reach the cache owner, the WGA may be able to help. WGA leadership contacts are available online at <http://www.wi-geocaching.com>. Thank you for your support of geocaching in Wisconsin.
