*(Reason for the new position or expanded FTE. Describe the need for this position including the benefit to the department/county if this position is filled and the negative impact if not filled.)*

This is an additional Deputy Sheriff position being requested by the Village of Rib Mountain to augment the current Deputy Sheriff positions already contracted to Rib Mountain. This is in line with the County's mission statement. A key part of the mission statement is that we will work in partnership with other partners to create opportunities to make Marathon County a preferred place to live, work, visit and do business. This position is a partnership between the Village of Rib Mountain and the Marathon County Sheriff's Office. For years leaders within the County and the Village of Rib Mountain have been approached about the need for Rib Mountain to have its own police department. Due to the size and make-up of the Village they are now required by statute to create their own police department or contract for said services. They wish to contract with the Marathon County Sheriff's Office to provide specific law enforcement services for the Village. We currently have two full-time Deputy Sheriff's assigned to the Village of Rib Mountain. The Village now wishes to enter into a larger contract for a total of three (3) dedicated Deputy Sheriff's.

The Village of Rib Mountain yields the largest number of calls of any jurisdiction we serve throughout the year. Rib Mountain is the heart of the shopping district in our county and has direct access to many recreational opportunities for our residents and visitors. Having a third dedicated Deputy contracted to the Village will bring about a great deal of consistency in our policing in Rib Mountain and will open up better lines of communication with the Village, local businesses and residents. The Deputies assigned to Rib Mountain will take on many of the community policing opportunities that we have not been able to provide in the past.

This position allows the Sheriff's Office to increase our staffing and response to areas outside of the Village of Rib Mountain during the hours the contracted deputies are working. This frees up deputies to provide better

service to those areas that we have not been able to spend time in due to our commitment to the Rib Mountain area. In addition, the contracted Deputies will be able to better serve the Rib Mountain area by having unique and consistent knowledge about current trends or incidents in Rib Mountain, stronger relationships with residents and businesses and access to the many resources at the Sheriff's Office when those additional services are needed. We believe this position will provide a higher level of service to Rib Mountain and free up resources to better serve other areas of the county.

**COSTING:** What is the anticipated total cost of this position: \$138,225

## Memo on Northern Mobile Home Park Human Health Hazard

This memo serves to update the committee on the ongoing public health concerns at the Northern Mobile Home Park, located at 281 Grand Avenue, Schofield, Wisconsin owned by Sustainable Resources LLC. Despite multiple inspections and formal notices issued to the property owner by the Marathon County Health Department, serious human health hazards remain unaddressed, posing significant risks to both public health and safety.

Northern Mobile Home Park is operated by Sustainable Resources LLC, owned by Christopher Reeves. The park has approximately 50 abandoned homes on the property, all in varying states of disrepair and exceedingly hazardous and poor condition. Homes have broken roofs, damaged floors, fire damage, water damage, missing skirting, vandalism, drug paraphernalia (e.g., used syringes), human waste, and many structures are open and accessible. There are also abandoned vehicles, open sheds, strewn garbage, and tall overgrown grass that provides habitat for rodents and other animals present in and around the homes.

### Inspection History and Violations:

Prior to 2021, Northern Mobile Home Park had a license to operate from the Marathon County Health Department (MCHD) and as part of the licensing renewal MCHD performed several inspections. Please see the summary actions below:

Date	Action
5/20/21	Human Health Hazards Order issued by MCHD.  Violations included: <ul style="list-style-type: none"><li>• Solid waste</li><li>• Broken glass and refuse</li><li>• Insulation and debris from fire.</li><li>• Insect and vermin</li><li>• Animal waste</li><li>• Holes or openings in the buildings that were not being addressed, and posed a safety threat</li><li>• Harmful condition and unsafe dwellings</li><li>• Lacking doors or windows</li></ul>
7/21/21	CLOSURE: MCHD declined to renew permit due to lack of action on mitigation of human health hazards. The Northern Mobile Home Park can no longer operate and residents began to move.
5/29/24	Marathon County Health Department performed a Human Health Hazards inspection. Following issues were found: <ul style="list-style-type: none"><li>• Squatters: Visual evidence indicated that people are occupying the unsafe property. Drug paraphernalia, garbage, and human waste in buckets has been witnessed by health inspectors and law enforcement.</li></ul>

	<ul style="list-style-type: none"> <li>• Presence of rats and other rodents or pests: Given the state of disrepair of the property, there is ample habitat for rats and other rodents to grow their populations. This includes, although is not limited to, missing mobile home unit skirting, open mobile units with open doors, unsecured storage sheds, and un-mowed grasses. Rats and other rodents can pose a health hazard due to the potential for disease spread.</li> </ul>
6/4/24	<p>The Order provided to Sustainable Resources on June 4, 2024, detailed several Human Health Hazards as defined in Wis. Stat. § 254.01(2) that were identified on 5/29/24.</p> <p>The Human Health Hazards Order detailed corrective actions for Northern to take for each identified hazard. The Order further required corrections to be completed by July 5, 2024. The order also noted that noncompliance may result in commencement of legal action seeking a court-imposed forfeiture or seeking an injunction to abate the violation and/or correct the damage created by the violations.</p>
7/5/24	<p>The Marathon County Health Department performed an inspection on July 5, 2024. Violations identified in the June 4 Human Health Hazard Order remained uncorrected.</p>
9/9/24	<p>The Marathon County Health Department performed an inspection. Violations identified in the June 4 Order remained uncorrected.</p> <p>Health Officer Laura Scudiere noted the following:</p> <ul style="list-style-type: none"> <li>• No change in grass. Grass continues to be overgrown in all areas.</li> <li>• Worsening garbage and refuse. Some of the mobile home units have been further vandalized and looted. More broken glass and various garbage items are on the walkways and in between homes.</li> <li>• We found several large open containers with standing water, which is a concern as it harbors mosquitoes that spread vector-borne illness.</li> <li>• Approximately half of the homes have accessible entryways (25). This was worse than last inspection. We found additional broken windows and doors that were forced open from last time. There was no evidence that any housing had been boarded up by owner.</li> <li>• Additional loose skirting was open from the previous inspection.</li> <li>• Evidence of current inhabitants: We found a new backpack and other living items in one home. We found evidence of pathways through the grass of people walking through to open homes.</li> <li>• No change on the fencing. One can just walk around the fence gate or through the side of the lot and access any of the homes.</li> </ul>

9/10/24	Hearing was held and Sustainable Resources was ordered to abate, remove, and correct all identified Human Health Hazards within 30 days of the order (Thursday, Oct. 10, 2024). If they are not abated, Marathon County will have ability to enter the premises to abate, remove, or correct all human health hazards and collect the cost of abatement or removal from Sustainable Resources including imposing the costs as a special assessment, special charge, or other levy.
9/20/24	<p>The Marathon County Health Department performed an inspection. All violations identified in the June 4 Order remained uncorrected.</p> <p>Health Officer Laura Scudiere noted the following:</p> <ul style="list-style-type: none"> <li>• No change in grass. Grass continues to be overgrown in all areas.</li> <li>• Worsening garbage and refuse from the previous visit. Some of the mobile home units have been further vandalized and looted.</li> <li>• We found several large open containers with standing water.</li> <li>• We found additional broken windows and doors that were forced open from last time. There was no evidence that any housing had been boarded up by owner.</li> <li>• Additional loose skirting was open from the previous inspection.</li> <li>• Evidence of current inhabitants.</li> </ul>

**Public Health Risks:**

In subsequent inspections, the following issues remain a Human Health Hazard:

- **Open and unsecured mobile home units**, making the property vulnerable to vandalism, looting, and potential unsafe habitation. Drug and alcohol paraphernalia was visible.
- **Inadequate fencing**, allowing for unrestricted access to the property by unauthorized individuals including homeless individuals and local adolescents as reported by Mountain Bay Police.
- **Overgrown grass** throughout the park, exacerbating rodent and pest infestations.
- **Accumulated garbage and refuse**, including broken glass and debris, creating unsafe conditions in walkways and between homes.
- **Standing water** found in open containers, which serves as a breeding ground for mosquitoes that spread vector-borne illnesses.

The ongoing presence of these hazards represents a threat to the health of the community and constitutes a human health hazard as outlined in [Wis. Stat. § 254.01\(2\)](#). Unchecked rodent populations, potential disease vectors from standing water, and the dangers posed by vandalized and open structures create a high-risk environment.

Mountain Bay Police reported to the MCHD staff that they have found individuals living in the homes, adolescents and children playing around abandoned structures, and further decline of the condition of the lot.

**Recommendations:**

**Option 1:** Allocate resources to support the mitigation of the individual identified health hazards.

	Estimated One-Time Cost
Boarding up structures (windows, doors, sheds on approximately 50 units)	\$24,500
Fencing to be placed on the east, north, and west property line, 6' tall chain link with one gate at the existing entrance	\$40,700
Initial Mowing/Waste Removal	\$35,400
<b>Total</b>	<b>\$100,600</b>
Estimated additional ongoing costs per year (Including regular mowing and waste removal)	\$36,000

Please note: Some of these activities would be temporary fixes. Mountain Bay police report that structures they board up get opened again within a few days. Mowing would be periodic in the spring, summer, and early fall. Removing waste may need to occur monthly. Ongoing maintenance would be required for fencing. These maintenance costs would add approximately \$36,000 per year ongoing, as listed above.

**Option 2:** Allocate resources to demolish the structures on the site.

This option provides a permanent solution by removing the structures entirely, eliminating the human health hazards. While this would be a one-time cost, it is significantly higher than other options, with estimates ranging from \$6,500 to \$10,000 per unit, or \$325,000 to \$500,000 for the entire site.

The elevated cost is primarily due to the need for additional safety precautions, as asbestos is likely present in the mobile homes, requiring specialized handling and disposal procedures.

## BROADBAND EXPANSION LOAN AGREEMENT TERM SHEET SUMMARY

### PROJECT SUMMARY

County participated in the issuance of conduit bonds in 2021 to fund broadband expansion in partnership with Bug Tussel. This project involved the installation of 18 broadband towers, the deployment of 198.33 miles of middle-mile fiber, and fiber-to-the-premise (FTTP) services, connecting 1,920 consumer premises within the county. This project has experienced cost overruns and requires additional funding for completion.

A second project, known as the Leathercamp Project, has been awarded a \$3 million grant from the Wisconsin Public Service Commission (PSC), aimed at deploying 90.7 miles of fiber optic last-mile infrastructure. This project will provide 1 Gbps fiber-to-the-premise service to 636 residential and 16 business locations in underserved or unserved areas of Marathon County, particularly the Town of Knowlton, Village of Kronenwetter, and Town of Guenther.

Marathon County seeks to provide additional funding to complete these projects, totaling \$8 million and consisting of a \$5 million loan from its general reserve fund for the completion of the 2021 broadband project and a \$3 million loan for the Leathercamp Project to satisfy the non-PSC share of the grant.

### LOAN SUMMARY

#### ***Funding:***

*Loan Funding for the 2021 Project:* Marathon County agrees to allocate \$5 million (\$5,000,000.00) through a loan from its general reserve fund to complete the 2021 broadband expansion project, which was originally funded through a conduit bonding issue with a \$25 million guarantee from Marathon County. This project is designed to expand broadband infrastructure through the installation of broadband towers and the deployment of middle-mile fiber, directly impacting Marathon County's residents and businesses.

*Loan for the Leathercamp Project:* Marathon County agrees to provide Bug Tussel a \$3 million (\$3,000,000.00) loan, subject to the terms set forth in this Agreement, to support the Leathercamp Project. This loan will satisfy the non-municipality, non-PSC share required to access the \$3 million grant from the PSC, ensuring full funding for the project, which includes 90.7 miles of fiber optic infrastructure to serve underserved areas within the County.

#### ***Interest Rate and Repayment:***

- The \$8 million total loan amount shall be loaned from Marathon County's general reserve fund. Of this \$8 million, \$5 million shall be used by Bug Tussel exclusively for completion of the 2021 conduit bonding project, which will deploy 198.33 miles of middle-mile fiber, and fiber-to-the-premise (FTTP) services, connecting 1,920 consumer premises within the county, at its currently understood scope and location and without any additional financial contributions from County. The remaining \$3 million shall be used exclusively to fund and complete the Leathercamp Project, which will deploy 90.7 miles of fiber optic last-mile infrastructure and will provide 1 Gbps fiber-to-the-premise service to 636 residential and 16 business locations in underserved or unserved areas of Marathon County, at its currently understood scope and location and without any additional financial contributions from County.

- Interest Rate Accrual - The loan shall accrue interest at a fixed rate of 5.4% per annum beginning on October 1, 2025.
- Payments – Bug Tussel will make interest-only payments for the first 5 years of the loan term. These payments shall be made annually.

Following the initial 5-4 years of the term of the loan, Bug Tussel shall make annual payments based on a 30-year amortization schedule for the remaining principal balance.

Following the initial 10-15 years of the term of the loan, a balloon payment for the remaining balance will be due in its entirety, payable by Bug Tussel to County.

- Payment Schedule

The first interest-only payment is due on or before October 1, 20265.

Subsequent interest payments will be due on or before October 1 each year for the first 5 years following execution of the Loan Agreement.

Beginning in year 6, payments based on the 30-year amortization schedule will be due on or before October 1 each year until the balloon payment is due.

The balloon payment is due on or before October 1, 20352040.

### **Collateral and Security**

- *Collateral:* As security for the loan, Bug Tussel grants Marathon County a first lien on all physical assets installed within Marathon County as part of the broadband project, including but not limited to:
  - Towers
  - Conduit
  - Fiber
  - Associated communications equipment

### **PROJECT TIMELINES**

*Completion Timeline:* Bug Tussel commits to completing all work under the broadband expansion projects (the 2021 Project and Leathercamp Project) within 18 months from the date of this Agreement, ensuring the rapid deployment of services to underserved areas.

### **ACCESS TO FACILITIES**

In consideration of Marathon County's provision of the loan, Bug Tussel agrees to provide the County with access to the fiber and towers constructed in accordance with the project. This access shall be consistent with the terms outlined in the Facilities Access Agreement previously executed between the County and Bug Tussel.

The County may use the fiber and tower facilities for its internal telecommunications and broadband needs, or for public safety, emergency services, or other governmental purposes, or for any other purposes consistent with the terms of the Facilities Access Agreement.

## **DISBURSEMENT AND REIMBURSEMENT PROCEDURES**

*Disbursement of Funds:* Marathon County will disburse funds to Bug Tussel in accordance with project milestones and Bug Tussel's submitted requests for payment, which must detail the eligible costs incurred under the terms of this Agreement. Non-eligible costs, or costs that cannot be determined to be directly related to the projects included herein, shall not be paid.

*Manner of Procuring Disbursements:* Bug Tussel shall procure disbursements from the Loan fund by delivering to Marathon County a requisition accompanied by information and documentation supporting the requisition, including the purpose of the requisition, the amount of the requisition, and the location and project to which the moneys will be applied. Bug Tussel agrees that it will only request disbursements for eligible costs for the projects.

## **AUDIT AND RECORDS**

*Audit Requirement:* Bug Tussel agrees to comply with any audit requirements imposed by Marathon County or the PSC, providing necessary documentation as requested.

*Recordkeeping:* Bug Tussel shall maintain proper accounting records for all activities and transactions related to this Agreement, with Marathon County having the right to audit and inspect these records upon reasonable notice.

## **DEFAULT AND REMEDIES**

*Default:* Bug Tussel shall be considered in default if it fails to make payments as required herein, fails to complete the projects within the agreed timeline, or fails to comply with any other terms of this Agreement.

*Remedies Upon Default:* In the event of default, Marathon County may:

- Accelerate the entire outstanding loan balance for immediate payment.
- Impose a fee for any missed or late payments.
- Foreclose upon the collateral assets.
- Take any legal action necessary to recover the funds or assets.

*Enforcement Costs:* Bug Tussel shall be liable for any costs, expenditures, or expenses incurred as a result of County enforcing this Agreement, including the complete legal costs of County, and such costs will be added to the principal then outstanding and shall be due and payable by Bug Tussel to County upon demand.

## **ASSIGNMENT**

*Assignment:* This Agreement may not be assigned by Bug Tussel without written consent of County. This Agreement, and all terms and conditions therein, will be binding on any successor or Assignee of Bug Tussel.
