

Land Division & Surveying Code

The Land Division and Surveying Code was adopted by the Marathon County Board of Supervisors and is described in detail in Chapter 18 of the Marathon County General Code of Ordinances. This Code is administered by the Marathon County Conservation, Planning, and Zoning Department (CPZ). The provisions of this Code apply to all unincorporated lands within Marathon County. The purpose of Chapter 18 is to regulate the division of land, and to promote the public health, safety, and general welfare of the community and are intended to encourage the most appropriate use of land, to provide the best possible environment for human habitation and to conserve the value of buildings placed upon the land.
