RESOLUTION AWARDING THE SALE OF
\$5,830,000 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2021A

WHEREAS, on January 26, 2021, the County Board of Supervisors of Marathon County, Wisconsin (the "County") adopted an initial resolution, by a vote of at least 3/4 of the members-elect, authorizing the issuance of general obligation promissory notes in an amount not to exceed \$5,830,000 for the public purpose of financing 2021 Capital Improvement Plan projects, including County highway projects, acquisition of equipment and vehicles, improvements to County buildings, park and recreation projects and other capital projects (the "Project") (the above-referenced initial resolution is referred to herein as the "Initial Resolution");

WHEREAS, on January 26, 2021, the County Board of Supervisors of the County also adopted a resolution (the "Set Sale Resolution") providing that the general obligation promissory notes authorized by the Initial Resolution be issued and sold as a single issue of notes designated as "General Obligation Promissory Notes, Series 2021A" (the "Notes") for the purpose of paying the cost of the Project;

WHEREAS, pursuant to the Set Sale Resolution, the County directed PFM Financial Advisors LLC ("PFM") to take the steps necessary to sell the Notes;

WHEREAS, PFM, in consultation with the officials of the County, prepared an Official Notice of Sale (a copy of which is attached hereto as Exhibit A and incorporated herein by this reference) setting forth the details of and the bid requirements for the Notes and indicating that the Notes would be offered for public sale on February 25, 2021;

WHEREAS, the County Clerk (in consultation with PFM) caused notice of the sale of the Notes to be published and/or announced and caused the Official Notice of Sale to be distributed to potential bidders offering the Notes for public sale;

WHEREAS, the County has duly received bids for the Notes as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation");

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Official Notice of Sale and is deemed to be the most advantageous to the County. PFM has recommended that the County accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference; and

WHEREAS, it has been determined to issue the Notes in the principal amount of \$5,830,000.

NOW, THEREFORE, BE IT RESOLVED by the County Board of Supervisors of the County that:

Section 1. Ratification of the Official Notice of Sale and Offering Materials. The County Board of Supervisors hereby ratifies and approves the details of the Notes set forth in Exhibit A attached hereto as and for the details of the Notes. The Official Notice of Sale and any other offering materials prepared and circulated by PFM are hereby ratified and approved in all respects. All actions taken by officers of the County and PFM in connection with the preparation and distribution of the Official Notice of Sale and any other offering materials are hereby ratified and approved in all respects.

Section 1A. Award of the Notes. For the purpose of paying the cost of the Project, there shall be borrowed pursuant to Section 67.12(12), Wisconsin Statutes, the principal sum of FIVE MILLION EIGHT HUNDRED THIRTY THOUSAND DOLLARS (\$5,830,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal of the Purchaser offering to purchase the Notes for the sum set forth on the Proposal (as modified on the Bid Tabulation and reflected in the Pricing Summary referenced below and incorporated herein), plus accrued interest to the date of delivery, is hereby accepted. The Chairperson and County Clerk or other appropriate officers of the County are authorized and directed to execute an acceptance of the Proposal on behalf of the County. The good faith deposit of the Purchaser shall be applied in accordance with the Official Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Notes shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Notes. The Notes shall be designated "General Obligation Promissory Notes, Series 2021A"; shall be issued in the aggregate principal amount of \$5,830,000; shall be dated March 17, 2021; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on February 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on February 1 and August 1 of each year commencing on February 1, 2022. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Notes is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Notes are not subject to optional redemption.

Section 4. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and

resources of the County are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the County a direct annual irrepealable tax in the years 2021 through 2030 for the payments due in the years 2022 through 2031 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the County shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the County and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the County then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the County, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the County may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Notes, Series 2021A" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the County at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the County above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such

payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the County, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the County, unless the County Board of Supervisors directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the County and disbursed solely for the purpose or purposes for which borrowed. In no event shall monies in the Borrowed Money Fund be used to fund operating expenses of the general fund of the County or of any special revenue fund of the County that is supported by property taxes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the County, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The County represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The County further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of

the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the County certifying that the County can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The County also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the County will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the County has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The County hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 11. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by the County Clerk or the County Treasurer (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Notes. The County shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and

maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the County Clerk or other authorized representative of the County is authorized and directed to execute and deliver to DTC on behalf of the County to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the County Clerk's office.

Section 15. Official Statement. The County Board of Supervisors hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The County Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 16. Undertaking to Provide Continuing Disclosure. The County hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the Chairperson and County Clerk, or other officer of the County charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

Section 17. Record Book. The County Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 18. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the County are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and County Clerk including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 19. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Optional Redemption. The Notes are not subject to optional redemption by the County.

Registration. The Notes will be issued as fully registered Notes without coupons and, when issued, will be registered only in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”). The County will assume no liability for failure of DTC, its participants or other nominees to promptly transfer payments to beneficial owners of the Notes. In the event that the securities depository relationship with DTC for the Notes is terminated and the County does not appoint a successor depository, the County will prepare, authenticate and deliver, at its expense, fully registered certificated Notes in the denomination of \$5,000 or any integral multiple thereof in the aggregate principal amount of Notes of the same maturities and with the same interest rate or rates then outstanding to the beneficial owners of the Notes.

Security and Purpose. The Notes are general obligations of the County. The principal of and interest on the Notes will be payable from ad valorem taxes, which shall be levied without limitation as to rate or amount upon all taxable property located in the territory of the County. The Notes will be issued to finance the County’s 2021 Capital Improvement Plan projects including County highway projects, acquisition of highway equipment and equipment for the Sheriff’s department, improvements to County buildings, park and recreation projects and other capital projects, and to pay the costs of issuing the Notes.

Bid Specifications. Bids shall be received on an interest rate basis in an integral multiple of One-Twentieth (1/20) or One-Eighth (1/8) of One Percent (1%). Any number of rates may be bid, but no interest rate specified for any maturity may be lower than the interest rate specified for any earlier maturity. All Notes of the same maturity shall bear the same interest rate. A rate of interest must be named for each maturity; a zero rate of interest shall not be named; and the premium, if any, must be paid in cash as part of the purchase price. No supplemental interest shall be specified. Each bid shall offer to purchase all of the Notes and shall offer a price (payable in federal or other immediately available funds) which is not less than \$5,771,700 (99.0% of par), nor more than \$5,946,600 (102.0% of par), plus accrued interest to the date of delivery.

Establishment of the Issue Price. The successful bidder shall assist the County in establishing the issue price of the Notes and shall execute and deliver to the County prior to Closing a certificate acceptable to Bond Counsel setting forth the reasonably expected initial public offering price to the public (the “Initial Public Offering Price”), or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

- (1) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the County may receive bids from at least three underwriters of municipal notes who have established industry reputations for underwriting new issuances of municipal notes; and

- (4) the County anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

In the event the County receives less than three bids that conform to the parameters contained herein such that the competitive sale requirements are not satisfied, the County intends to treat the initial public offering price to the public of each maturity of the Notes as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). Consequently, bidders should assume for purposes of making its bid that, if the competitive sale requirements described above are not met, and less than 10% of any maturity has been sold to the public at the initial public offering price, as of the sale date, the bidder will be required to comply with the hold-the-offering-price rule described below. The County will advise the apparent winning bidder within one hour of receipt of bids if the hold-the-offering-price rule will apply as to any maturities for which less than 10% has been sold to the public on the sale date at the initial public offering price to the public ("the 10% test"). The winning bidder shall notify the County on the sale date as to any maturities for which the 10% test has been met, and shall apply the hold-the-offering-price rule to all other maturities. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the County.

By submitting a bid, the successful bidder shall, on behalf of the underwriters participating in the purchase of the Notes, (i) confirm that the underwriters have offered or will offer each maturity of the Notes to the public on or before the date that the Notes are awarded by the County to the successful bidder ("Sale Date") at the initial public offering price set forth in the bid submitted by the winning bidder, and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell any maturity of the Notes to any person at a price that is higher than the initial public offering price for such maturity during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth business day after the Sale Date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial public offering price for such maturity.

The winning bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial public offering price if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

The County acknowledges that, in making the representation set forth above, the successful bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the

hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Notes.

By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to:

(A) report the prices at which it sells to the public the Notes of each maturity allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public, and

(B) comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder and in the related pricing wires; and

(ii) any agreement among underwriters relating to the sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to:

(A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public, and

(B) comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(i) “public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),

(iii) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership

of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date the Notes are awarded by the County to the winning bidder.

Good Faith Deposit. A good faith deposit in the amount of FIFTY-EIGHT THOUSAND THREE HUNDRED dollars (\$58,300) is only required by the successful bidder for the Notes. The successful bidder for the Notes is required to submit such Good Faith Deposit payable to the order of the County in the form of a wire transfer in federal funds. Instructions for wiring the Good Faith Deposit are as follows:

Amount:	\$58,300
Details:	Email PFM for details at hansonk@pfm.com

The successful bidder shall submit the Good Faith Deposit within two hours after verbal award is made. The successful bidder should provide as quickly as it is available, evidence of wire transfer by providing the County the federal funds reference number. If the Good Faith Deposit is not received in the time allotted, the bid of the successful bidder may be rejected and the County may direct the next lowest bidder to submit a Good Faith Deposit and thereafter may award the sale of the Notes to the same. If the successful bidder fails to comply with the Good Faith Deposit requirement as described herein, that bidder is nonetheless obligated to pay to the County the sum of \$58,000 as liquidated damages due to the failure of the successful bidder to timely deposit the Good Faith Deposit.

Submission of a bid to purchase the Notes serves as acknowledgement and acceptance of the terms of the Good Faith Deposit requirement.

The Good Faith Deposit so wired will be retained by the County until the delivery of the Notes, at which time the Good Faith Deposit will be applied against the purchase price of the Notes or the good faith deposit will be retained by the County as partial liquidated damages in the event of the failure of the successful bidder to take up and pay for such Notes in compliance with the terms of the Official Notice of Sale and of its bid. No interest on the good faith deposit will be paid by the County. The balance of the purchase price must be wired in federal funds to the account detailed in the closing memorandum, simultaneously with delivery of the Notes.

Insurance on Notes. In the event the successful bidder obtains a bond insurance policy for all or a portion of the Notes, by or on behalf of it or any other member of its underwriting group, the successful bidder is responsible for making sure that disclosure information is provided about the credit enhancement provider (for example, through a wrapper to the Official Statement). The County will cooperate with the successful bidder in this manner. The costs of obtaining any bond insurance policy and the costs of providing disclosure information about the credit enhancement provider shall be paid by the successful bidder. In addition, the successful bidder will be required, as a condition for delivery of the Notes, to certify that the premium will be less than the present value of the interest expected to be saved as a result of such insurance.

Electronic Bidding. The County assumes no responsibility or liability for electronic bids. If any provisions in this Official Notice of Sale conflict with information provided by Parity®, this Official Notice of Sale shall control. Further information about the electronic bidding service providers, including any fee charged and applicable requirements, may be obtained from:

Award. All bids received shall be considered at a meeting of the County Board of Supervisors to be held on the bidding date and, unless all bids are rejected, the Notes shall be awarded during the County Board meeting on said date to the best bidder whose proposal shall result in the lowest true interest cost rate to the County. The true interest cost is computed as the discount rate which, when used with semiannual compounding to determine the present worth of the principal and interest payments as of the date of the Notes, produces an amount equal to the purchase price. If two or more bids provide the same lowest true interest rate, the County shall determine which proposal shall be accepted, and such determination shall be final. A computation by the bidder of such true interest cost rate contained in any bid shall be for information only and shall not constitute a part of the bid. The purchaser shall pay accrued interest from the date of the Notes to the date of delivery and payment of the purchase price.

Delivery. The Notes will be delivered in typewritten form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, securities depository of the Notes for the establishment of book-entry accounts at the direction of the successful bidder, within approximately 45 days after the award. Payment at the time of delivery must be made in federal or other immediately available funds. In the event delivery is not made within 45 days after the date of the sale of the Notes, the successful bidder may, prior to tender of the Notes, at its option, be relieved of its obligation under the contract to purchase the Notes and its good faith check shall be returned, but no interest shall be allowed thereon. Delivery of the Notes is currently anticipated to be on or about March 17, 2021.

Legal Opinion. The successful bidder will be furnished without cost, the unqualified approving legal opinion of Quarles & Brady LLP, Milwaukee, Wisconsin, Bond Counsel.

CUSIP Numbers. The County will assume no obligation for the assignment of CUSIP numbers on the Notes or for the correctness of any numbers printed thereon. The County will permit such numbers to be assigned and printed at the expense of the original purchaser, but neither the failure to print such numbers on any Notes nor any error with respect thereto will constitute cause for failure or refusal by the original purchaser to accept delivery of the Notes.

Official Statement. Upon the sale of the Notes, the County will publish an Official Statement in substantially the same form as the Preliminary Official Statement subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement. Promptly after the sale date, but in no event later than seven business days after such date, the County will provide the successful bidder with up to 25 copies of the final Official Statement without cost. The successful bidder agrees to supply to the County all necessary pricing information and any underwriter identification necessary to complete the final Official Statement within 24 hours after the award of Notes.

Certification Regarding Official Statement. The County will deliver, at closing, a certificate, executed by appropriate officers of the County acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the County and the Notes are true and correct in all material respects, and that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Undertaking to Provide Continuing Disclosure. In order to assist bidders in complying with SEC Rule 15c2-12, as amended, the County will covenant to undertake (pursuant to a Resolution to be adopted by the Board of the County), to provide annual reports and timely notice of certain events for the benefit of holders of the Notes. The details and terms of the undertaking are set forth in a Continuing Disclosure Certificate to be executed and delivered by the County, a form of which is included in the Preliminary Official Statement and in the final Official Statement.

Transcript of Proceedings. A transcript of the proceedings relative to the issuance of the Notes will be furnished to the successful bidder without cost, including a Closing Certificate stating that there is no litigation pending or threatened affecting the validity of or the security for the Notes.

Irregularities. The County Board of Supervisors reserves the right to reject any and all bids and to waive any and all irregularities.

FOR VALUE RECEIVED, Marathon County, Wisconsin (the "County"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on February 1 and August 1 of each year commencing on February 1, 2022 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Note are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Note is registered on the Bond Register maintained by the County Clerk or County Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Note is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Note together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Note is one of an issue of Notes aggregating the principal amount of \$5,830,000, all of which are of like tenor, except as to denomination, interest rate and maturity date, issued by the County pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, for the public purpose of financing 2021 Capital Improvement Plan projects, including County highway projects, acquisition of equipment and vehicles, improvements to County buildings, park and recreation projects and other capital projects, as authorized by resolutions adopted on January 26,

2021 and February 25, 2021. Said resolutions are recorded in the official minutes of the County Board of Supervisors for said dates.

This Note is not subject to optional redemption.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable.

This Note is transferable only upon the books of the County kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Notes, and the County appoints another depository, upon surrender of the Note to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Note in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Notes after the Record Date. The Fiscal Agent and County may treat and consider the Depository in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Notes are issuable solely as negotiable, fully-registered Notes without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Marathon County, Wisconsin, by its governing body, has caused this Note to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.

RESOLUTION AWARDING THE SALE OF
\$19,000,000 GENERAL OBLIGATION HEALTH CARE
PROJECT BUILDING BONDS, SERIES 2021B

WHEREAS, on June 19, 2018, the County Board of Supervisors of Marathon County, Wisconsin (the "County") adopted an initial resolution, by a vote of at least 3/4 of the members-elect, authorizing the issuance of general obligation bonds or promissory notes in an amount not to exceed \$67,000,000 for the public purpose of financing North Central Health Care ("NCHC") Master Facility Plan projects, including the design and construction of building additions, renovations and landscaping to the NCHC Center and Mount View Care Center campus (the "Project") (the above-referenced initial resolution is referred to herein as the "Initial Resolution");

WHEREAS, the County has previously issued general obligation bonds or promissory notes in the principal amount of \$25,620,000 for projects authorized by the Initial Resolution;

WHEREAS, on January 26, 2021, the County Board of Supervisors of the County adopted a resolution (the "Set Sale Resolution") providing that additional general obligation bonds authorized by the Initial Resolution in an amount not to exceed \$19,000,000 be issued and sold as a single issue of bonds designated as "General Obligation Health Care Project Building Bonds, Series 2021B" (the "Bonds") for the purpose of paying costs of the Project;

WHEREAS, pursuant to the Set Sale Resolution, the County directed PFM Financial Advisors LLC ("PFM") to take the steps necessary to sell the Bonds;

WHEREAS, PFM, in consultation with the officials of the County, prepared an Official Notice of Sale (a copy of which is attached hereto as Exhibit A and incorporated herein by this reference) setting forth the details of and the bid requirements for the Bonds and indicating that the Bonds would be offered for public sale on February 25, 2021;

WHEREAS, the County Clerk (in consultation with PFM) caused notice of the sale of the Bonds to be published and/or announced and caused the Official Notice of Sale to be distributed to potential bidders offering the Bonds for public sale;

WHEREAS, the County has duly received bids for the Bonds as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation");

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Official Notice of Sale and is deemed to be the most advantageous to the County. PFM has recommended that the County accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference; and

WHEREAS, it has been determined to issue the Bonds in the principal amount of \$19,000,000.

NOW, THEREFORE, BE IT RESOLVED by the County Board of Supervisors of the County that:

Section 1. Ratification of the Official Notice of Sale and Offering Materials. The County Board of Supervisors hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Official Notice of Sale and any other offering materials prepared and circulated by PFM are hereby ratified and approved in all respects. All actions taken by officers of the County and PFM in connection with the preparation and distribution of the Official Notice of Sale and any other offering materials are hereby ratified and approved in all respects.

Section 1A. Award of the Bonds. For the purpose of paying costs of the Project, there shall be borrowed pursuant to Section 67.04, Wisconsin Statutes, the principal sum of NINETEEN MILLION DOLLARS (\$19,000,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal (as modified on the Bid Tabulation and reflected in the Pricing Summary referenced below and incorporated herein), plus accrued interest to the date of delivery, is hereby accepted. The Chairperson and County Clerk or other appropriate officers of the County are authorized and directed to execute an acceptance of the Proposal on behalf of the County. The good faith deposit of the Purchaser shall be applied in accordance with the Official Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Health Care Project Building Bonds, Series 2021B"; shall be issued in the aggregate principal amount of \$19,000,000; shall be dated March 17, 2021; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on February 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on February 1 and August 1 of each year commencing on February 1, 2022. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Bonds maturing on February 1, 2032 and thereafter are subject to redemption prior to maturity, at the option of the County, on February 1, 2031 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the County, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the County a direct annual irrepealable tax in the years 2021 through 2040 for the payments due in the years 2022 through 2041 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the County shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the County and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the County then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the County, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the County may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Health Care Project Building Bonds, Series 2021B" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the County at the time of delivery of and payment for the Bonds; (ii) any premium which may be received by the County above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when

due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the County, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the County, unless the County Board of Supervisors directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the County and disbursed solely for the purpose or purposes for which borrowed. In no event shall monies in the Borrowed Money Fund be used to fund operating expenses of the general fund of the County or of any special revenue fund of the County that is supported by property taxes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Bonds have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the County, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The County represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The County further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the County charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the County certifying that the County can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The County also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the County will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the County has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The County hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by the County Clerk or the County Treasurer (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Bonds. The County shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The

person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the County at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the County Clerk or other authorized representative of the County is authorized and directed to execute and deliver to DTC on behalf of the County to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the County Clerk's office.

Section 15. Official Statement. The County Board of Supervisors hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The County Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 16. Undertaking to Provide Continuing Disclosure. The County hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the

Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Chairperson and County Clerk, or other officer of the County charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

Section 17. Record Book. The County Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 18. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the County are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and County Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 19. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Optional Redemption. The Bonds maturing on or after February 1, 2032, are subject to redemption prior to maturity at the option of the County on February 1, 2031 or on any date thereafter at a price of par plus accrued interest.

Registration. The Bonds will be issued as fully registered Bonds without coupons and, when issued, will be registered only in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”). The County will assume no liability for failure of DTC, its participants or other nominees to promptly transfer payments to beneficial owners of the Bonds. In the event that the securities depository relationship with DTC for the Bonds is terminated and the County does not appoint a successor depository, the County will prepare, authenticate and deliver, at its expense, fully registered certificated Bonds in the denomination of \$5,000 or any integral multiple thereof in the aggregate principal amount of Bonds of the same maturities and with the same interest rate or rates then outstanding to the beneficial owners of the Bonds.

Security and Purpose. The Bonds are general obligations of the County. The principal of and interest on the Bonds will be payable from ad valorem taxes, which shall be levied without limitation as to rate or amount upon all taxable property located in the territory of the County. The Bonds will be issued to finance North Central Health Care Facility Plan projects of the County and to pay the costs of issuing the Bonds.

Not Bank Qualified. The Bonds will NOT be “Qualified Tax-Exempt Obligations” pursuant to the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Bid Specifications. Bids shall be received on an interest rate basis in an integral multiple of One-Twentieth (1/20) or One-Eighth (1/8) of One Percent (1%). Any number of rates may be bid, but no interest rate specified for any maturity may be lower than the interest rate specified for any earlier maturity. All Bonds of the same maturity shall bear the same interest rate. A rate of interest must be named for each maturity; a zero rate of interest shall not be named; and the premium, if any, must be paid in cash as part of the purchase price. No supplemental interest shall be specified. Each bid shall offer to purchase all of the Bonds and shall offer a price (payable in federal or other immediately available funds) which is not less than \$18,810,000 (99.0% of par), nor more than \$19,380,000 (102.0% of par), plus accrued interest to the date of delivery.

Establishment of the Issue Price. The successful bidder shall assist the County in establishing the issue price of the Bonds and shall execute and deliver to the County prior to Closing a certificate acceptable to Bond Counsel setting forth the reasonably expected initial public offering price to the public (the “Initial Public Offering Price”), or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

- (4) the County anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

In the event the County receives less than three bids that conform to the parameters contained herein such that the competitive sale requirements are not satisfied, the County intends to treat the initial public offering price to the public of each maturity of the Bonds as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). Consequently, bidders should assume for purposes of making its bid that, if the competitive sale requirements described above are not met, and less than 10% of any maturity has been sold to the public at the initial public offering price, as of the sale date, the bidder will be required to comply with the hold-the-offering-price rule described below. The County will advise the apparent winning bidder within one hour of receipt of bids if the hold-the-offering-price rule will apply as to any maturities for which less than 10% has been sold to the public on the sale date at the initial public offering price to the public ("the 10% test"). The winning bidder shall notify the County on the sale date as to any maturities for which the 10% test has been met, and shall apply the hold-the-offering-price rule to all other maturities. In the event that the competitive sale requirements are not satisfied, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the County.

By submitting a bid, the successful bidder shall, on behalf of the underwriters participating in the purchase of the Bonds, (i) confirm that the underwriters have offered or will offer each maturity of the Bonds to the public on or before the date that the Bonds are awarded by the County to the successful bidder ("Sale Date") at the initial public offering price set forth in the bid submitted by the winning bidder, and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell any maturity of the Bonds to any person at a price that is higher than the initial public offering price for such maturity during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth business day after the Sale Date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial public offering price for such maturity.

The winning bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial public offering price if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

The County acknowledges that, in making the representation set forth above, the successful bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the

hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to:

(A) report the prices at which it sells to the public the Bonds of each maturity allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, and

(B) comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder and in the related pricing wires; and

(ii) any agreement among underwriters relating to the sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to:

(A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, and

(B) comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(i) “public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an underwriter or a related party,

(v) “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(vi) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership

of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(vii) “sale date” means the date the Bonds are awarded by the County to the winning bidder.

Good Faith Deposit. A good faith deposit in the amount of ONE HUNDRED AND NINETY THOUSAND dollars (\$190,000) is only required by the successful bidder for the Bonds. The successful bidder for the Bonds is required to submit such Good Faith Deposit payable to the order of the County in the form of a wire transfer in federal funds. Instructions for wiring the Good Faith Deposit are as follows:

Amount:	\$190,000
Details:	Email PFM for details at hansonk@pfm.com

The successful bidder shall submit the Good Faith Deposit within two hours after verbal award is made. The successful bidder should provide as quickly as it is available, evidence of wire transfer by providing the County the federal funds reference number. If the Good Faith Deposit is not received in the time allotted, the bid of the successful bidder may be rejected and the County may direct the next lowest bidder to submit a Good Faith Deposit and thereafter may award the sale of the Bonds to the same. If the successful bidder fails to comply with the Good Faith Deposit requirement as described herein, that bidder is nonetheless obligated to pay to the County the sum of \$190,000 as liquidated damages due to the failure of the successful bidder to timely deposit the Good Faith Deposit.

Submission of a bid to purchase the Bonds serves as acknowledgement and acceptance of the terms of the Good Faith Deposit requirement.

The Good Faith Deposit so wired will be retained by the County until the delivery of the Bonds, at which time the Good Faith Deposit will be applied against the purchase price of the Bonds or the good faith deposit will be retained by the County as partial liquidated damages in the event of the failure of the successful bidder to take up and pay for such Bonds in compliance with the terms of the Official Notice of Sale and of its bid. No interest on the good faith deposit will be paid by the County. The balance of the purchase price must be wired in federal funds to the account detailed in the closing memorandum, simultaneously with delivery of the Bonds.

Insurance on Bonds. In the event the successful bidder obtains a bond insurance policy for all or a portion of the Bonds, by or on behalf of it or any other member of its underwriting group, the successful bidder is responsible for making sure that disclosure information is provided about the credit enhancement provider (for example, through a wrapper to the Official Statement). The County will cooperate with the successful bidder in this manner. The costs of obtaining any bond insurance policy and the costs of providing disclosure information about the credit enhancement provider shall be paid by the successful bidder. In addition, the successful bidder will be required, as a condition for delivery of the Bonds, to certify that the premium will be less than the present value of the interest expected to be saved as a result of such insurance.

Electronic Bidding. The County assumes no responsibility or liability for electronic bids. If any provisions in this Official Notice of Sale conflict with information provided by Parity®, this Official Notice of Sale shall control. Further information about the electronic bidding service providers, including any fee charged and applicable requirements, may be obtained from:

Award. All bids received shall be considered at a meeting of the County Board of Supervisors to be held on the bidding date and, unless all bids are rejected, the Bonds shall be awarded during the County Board meeting on said date to the best bidder whose proposal shall result in the lowest true interest cost rate to the County. The true interest cost is computed as the discount rate which, when used with semiannual compounding to determine the present worth of the principal and interest payments as of the date of the Bonds, produces an amount equal to the purchase price. If two or more bids provide the same lowest true interest rate, the County shall determine which proposal shall be accepted, and such determination shall be final. A computation by the bidder of such true interest cost rate contained in any bid shall be for information only and shall not constitute a part of the bid. The purchaser shall pay accrued interest from the date of the Bonds to the date of delivery and payment of the purchase price.

Delivery. The Bonds will be delivered in typewritten form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, securities depository of the Bonds for the establishment of book-entry accounts at the direction of the successful bidder, within approximately 45 days after the award. Payment at the time of delivery must be made in federal or other immediately available funds. In the event delivery is not made within 45 days after the date of the sale of the Bonds, the successful bidder may, prior to tender of the Bonds, at its option, be relieved of its obligation under the contract to purchase the Bonds and its good faith check shall be returned, but no interest shall be allowed thereon. Delivery of the Bonds is currently anticipated to be on or about March 17, 2021.

Legal Opinion. The successful bidder will be furnished without cost, the unqualified approving legal opinion of Quarles & Brady LLP, Milwaukee, Wisconsin, Bond Counsel.

CUSIP Numbers. The County will assume no obligation for the assignment of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon. The County will permit such numbers to be assigned and printed at the expense of the original purchaser, but neither the failure to print such numbers on any Bonds nor any error with respect thereto will constitute cause for failure or refusal by the original purchaser to accept delivery of the Bonds.

Official Statement. Upon the sale of the Bonds, the County will publish an Official Statement in substantially the same form as the Preliminary Official Statement subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement. Promptly after the sale date, but in no event later than seven business days after such date, the County will provide the successful bidder with up to 25 copies of the final Official Statement without cost. The successful bidder agrees to supply to the County all necessary pricing information and any underwriter identification necessary to complete the final Official Statement within 24 hours after the award of Bonds.

Certification Regarding Official Statement. The County will deliver, at closing, a certificate, executed by appropriate officers of the County acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the County and the Bonds are true and correct in all material respects, and that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Undertaking to Provide Continuing Disclosure. In order to assist bidders in complying with SEC Rule 15c2-12, as amended, the County will covenant to undertake (pursuant to a Resolution to be adopted by the Board of the County), to provide annual reports and timely notice of certain events for the benefit of holders of the Bonds. The details and terms of the undertaking are set forth in a Continuing Disclosure Certificate to be executed and delivered by the County, a form of which is included in the Preliminary Official Statement and in the final Official Statement.

Transcript of Proceedings. A transcript of the proceedings relative to the issuance of the Bonds will be furnished to the successful bidder without cost, including a Closing Certificate stating that there is no litigation pending or threatened affecting the validity of or the security for the Bonds.

Irregularities. The County Board of Supervisors reserves the right to reject any and all bids and to waive any and all irregularities.

DEPOSITORY OR ITS NOMINEE NAME: CEDE & CO.

PRINCIPAL AMOUNT: _____ THOUSAND DOLLARS
(\$ _____)

FOR VALUE RECEIVED, Marathon County, Wisconsin (the "County"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on February 1 and August 1 of each year commencing on February 1, 2022 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by the County Clerk or County Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$19,000,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the County pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the public purpose of financing North Central Health Care ("NCHC") Master Facility Plan projects, including the design and construction of building additions, renovations and landscaping to the NCHC Center and Mount View Care Center campus, as

authorized by resolutions adopted on June 19, 2018, January 26, 2021 and February 25, 2021. Said resolutions are recorded in the official minutes of the County Board of Supervisors for said dates.

The Bonds maturing on February 1, 2032 and thereafter are subject to redemption prior to maturity, at the option of the County, on February 1, 2031 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the County, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond is transferable only upon the books of the County kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the County appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and County may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for

the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Marathon County, Wisconsin, by its governing body, has caused this Bond to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.
