- B. Discussion and Possible Action by Committee to Forward to the County Board for its consideration
 1. Discussion and Possible Action-County Administrator’s 2021County Budget-Leonhard

Gibbs would like to thank the County Administrator, department heads and staff on providing a well-organized budget with the rationale for the 2022 budget decisions.

Supervisor Robinson has a question on the 2022 budget move of the UWEX part-time educator position to the County Administrator’s budget for the Broadband project. Through the UWEX position, there is a match for the position that is not available by including the position in the County Administrator budget. Leonhard, if this position is moved back to the UWEX, then I would look at the position as a contractor to which I would direct the work as able. Gibbs-The UWEX is moving in a different direction as they are moving to “Specialist in the field” as a cranberry specialist for the cranberry area Counties. I think that they have ability to have direction over a specific project and appreciate the work completed by the former UWEX staff working on the Broadband project. There were challenges in getting County objectives completed with the UWEX directing the work.

- a. Resolution Approving Adjustment to State Property Tax Levy Limit for 2022 Budget

THE COUNTY BOARD AS PRESENTED BY THE COUNTY ADMINISTRATOR; UNANIMOUS

MOTION BY FISHER AND SECONDED BY AARRESTAD TO ACCEPT AND RECOMMEND THE 2022 CIP PROGRAM TO THE COUNTY BOARD; UNANIMOUS

2. Discussion and Possible Action by the Committee

a. Resolution 2022 Budget and Property Tax Levy-Palmer

MOTION BY GIBBS AND SECONDED BY FISHER TO ADOPT THE 2022 BUDGET RESOLUTION AND FORWARD TO THE COUNTY BOARD; UNANIMOUS

b. Resolution Requesting a 1.0 FTE Social Services Coordinator-Grant Funded Position Effective 10/21/2021

Gibbs-can we get a report from Social Services in regards, if the grant on the successful or is eliminated, would it cost the County more to eliminate the position even if the grant was no

MOTION BY GIBBS AND SECONDED BY MCEWEN TO APPROVE THE GRANT FUNDING AND IF THE GRANT IS NOT FUNDED THE POSITION WOULD BE ELIMINATED SUBJECT TO THE HRFC APPROVAL; UNANIMOUS

c. Final Resolution Regarding Unconditional Guaranty of its Pro Rata Share, Intergovernmental Agreement and Taxable Revenue Bond Financing for Bug Tussel 1, LLC Project-Robinson

The documents provided have been reviewed by attorneys for Bug Tussel, County Bond Counsel and Marathon County Corporation Counsel. The final resolution does allow for minor changes to be made to the resolution. Bond Counsel stated the resolution provides as much protection as can be afforded in a transaction of this nature. This transaction is not without risk. Bug Tussel provides us (County) a lien on any property and there is a guarantee from Hilbert the parent company of Bug Tussel as well. There are a few tweaks yet on access agreements as to where the fiber will be laid. There will be 24 stands of fiber available to Marathon County. Fond du Lac County is completing the borrowing package for Bug Tussel. We are looking for authorization to adopt the final resolution and complete the final documents.

Gibbs-Marathon County could be held liable for up to the \$25Million. The funds (Bug Tussel) are set into a trust and held until the bills are ready for processing? Puerner-Yes. Gibbs-There should be up to one year or debt payments held in the trust as well. Bug Tussel in previous transactions with Fond du Lac, did not fall behind in their debt service commitments. We have been working on this for up to 13 years and this can make it happen in Marathon County.

MOTION BY GIBBS AND SECONDED BY AARRESTAD TO APPROVE THE RESOLUTION AND ALLOW COUNTY OFFICIALS TO EXECUTE APPROPRIATE DOCUMENTS; UNANIMOUS

3. Policy Issues Discussion and Committee Determination-none

6. Announcements: Next Meeting Date-Tuesday, October 26, 2021 4:00 pm

7. Adjourn **MOTION BY MCEWEN AND SECONDED BY AARRESTAD TO ADJOURN AT 11:45 am**

Build your American Rescue Plan funding strategy with ARP ACTION

Sep 27, 2021

After numerous conversations with state, county and local leaders about the American Rescue Plan Act of 2021 (ARP), it's clear that many need a tool to help prioritize and align spending with the needs of their community. To support this need, we developed **ARP ACTION**. Using your unique inputs, Baker Tilly's **ARP ACTION** application provides a customized strategic funding report that can be shared with elected officials, department heads and community members.

ARP ACTION helps you:

- Identify your community's available funding opportunities, including Economic Development Administration (EDA) grants
- Prioritize eligible expenses and investments
- Solicit equitable responses from community leaders and aggregate them for equal input
- Account for interlocal collaboration opportunities
- Communicate, in a highly organized, analytical and visual way, your community's strategic funding plan
- Engage with peers and our ARP specialty team on the MyBakerTilly client community portal
