The long-term portfolio had a return of 1.72% which is above the benchmark. In 2018 the investment income earned was almost \$2 million. 6. Policy Issues Discussion and Committee Determination
 - A. NCHC Project Update and Financing Plan –Lotter discussed the projects at NCHC. The schematic design is done and we are working on the architectural design so we can get it out as a RFP. We had a design of a 4 story nursing facility and we have worked with the FAA and the City will agree with the FAA's decision. April 4 and 11th we will have an open forum with the neighborhood and discuss the project and go to the City to get permission to move forward. The pool is designed and ready to go in June with a completion date of January-February 2020. The CFRB will be completed in 2021. We will get the 4 story nursing building built and completed in 2021. The final phase of the site would be completed in 2022.

Pool Phase 1a \$6 million (\$3 million County)
CBRF-November 2020-\$5 million
Nursing tower \$34 million by January 2021

What is the short term need as far as cash? We will need \$3 million by January 2020 and the rest of the funds \$5-6 million by the end of 2020. Once the tower project is started we will need to borrow a larger amount to the construction of that building. Miller-Are we charging the other two Counties for the interest of the borrowing? There is no agreement to directly charge the other two counties for the cost of construction or interest.

APPENDIX B NEW OR EXPANDED POSITION REQUEST

I. GENERAL INFORMATION

Department: Marathon County Sheriff's Office

Date: March 19, 2019

Position Requested: Deputy Sheriff (Court Security)
(If unsure of classification, indicate "To be determined")

FT PT FTE 100%

Number of Positions: 2

Division Position Will Be Assigned To: Sheriff Administration
(Indicate NA if not applicable)

Projected Start Date of Position: May 6, 2019

Priority Number of This Position: NA

If you are requesting more than one position, prioritize all your requests and indicate the priority number of position.

II. FULL EXPLANATION OF NEED FOR POSITION

A. Is this position request compatible with the County's mission statement?

Yes, Marathon County Government serves people by leading, coordinating, and providing county, regional, and statewide initiatives. It directly or in cooperation with other public and private partners, provides services and creates opportunities that make Marathon County and the surrounding area a preferred place to live, work, visit, and do business.

B. What is your department's mission statement and how does position support this mission and/or department strategic plan?

The mission of the Marathon County Sheriff's Office exists to provide a safe, secure, and crime-free community through trust-building, enforcement, and public safety management.

The Sheriff's Office would like to save Marathon County approximately \$26,000 a year by hiring 2 FTE Court Security Deputies and reducing our part-time deputies from 13 to 5. By doing this we can reduce the re-occurring costs of these part-time positions. (See Attached PDF)

No new funds are being requested. The Sheriff's Office is proposing to use a portion of current salaries to fund the 2 proposed FTE Court Security Deputies and reduce our part-time court security deputies from 13 to 5.

C. Indicate reasons for asking for position including purpose of position, applicable workload data and trends, etc. plus attach relevant supporting data. If more than one position of the same classification is being requested, also justify the number requested.

Currently, the Court Security Unit has 13 part-time deputies responsible for staffing shifts within the Courthouse. Over the past year it has been more difficult to hire and retain these part-time deputies as they move on to full-time law enforcement positions. The current market for qualified law enforcement personnel is very competitive across the State. It is becoming more difficult to retain part-time officers as these officers are being hired into full-time positions.

The Sheriff's Office has lost 14 part-time deputies over the past 2 years to full-time positions. The continual costs of hiring, training and equipping these part-time deputies has become cost prohibitive to continue this part-time program to the scale it currently is.

D. What benefit will the position provide to the County? How does the position improve/enhance customer service and/or address community needs?

The County has a potential to save approximately \$26,000 a year in re-occurring costs. The Sheriff's Office would also save valuable time and resources with the hiring process (backgrounds, interviews, Hilson, Psychological and Physical testing).

E. Indicate any alternatives to creating this position that were considered and why you still chose to request the position?

If the Sheriff's Office kept the staffing model as it is, it would cost the County more money, time and resources in the future.

F. What will be the effect if the proposed position is not created?

The pool of certified law enforcement candidates who are willing to work part-time is dwindling. If they do take a part-time position they usually move on to a full-time position within weeks or months of being hired. This current model is not sustainable in its current state. The annual costs for this staffing model will continue to increase.

G. What criteria will you use to monitor the effectiveness and performance of the position?

(Increasing revenues, improved customer service, decreasing costs, enhancing services, etc?)

- We will continue to monitor the increased requests from judges to have court security officers in their courtrooms. These requests are classified as "essential" and "preferred".
- Gather statistical information of incidents which occur in the courthouse that require law enforcement.
- Keep statistics of prisoner escorts within the courthouse complex.
- Keep statistics of prisoner transports to outside facilities.
- Keep statistics of arrests made by our court security deputies
- Keep statistics on contraband confiscated at the checkpoint.

III. SPECIFIC DUTIES OF NEW POSITION

A. List the specific duties position will perform plus the approximate percentage of time to be spent on each duty.

- Screening Area (50%)
- Presence in courtroom/security. (20%)
- Prisoner escorts within the courthouse complex. (5%)
- Patrolling the courthouse complex. (5%)
- Arrests (5%)
- Prisoner transport to outside facilities. (15%)

B. Could another County department use the expertise of this position? OR could you use the expertise of another department to meet your needs? Why or why not?

No, this position requires sworn officers.

C. If the work is currently being done by the County, how is it being accomplished (contract basis, temporary help, current employee, etc.)? Why is this arrangement no longer acceptable?

The work is currently being done by 13 part-time deputies. Due to the re-occurring costs of hiring, training, equipping and retaining these deputies it has become cost prohibitive. The Sheriff's Office is proposing to scale back our part-time deputies from 13 to 5 and hiring 2 full-time court security deputies. (See attached PDF)

IV. POSITION COSTS AND FUNDING SOURCES

A. What is the anticipated total cost of this position? (Include salary; benefits; office space, remodeling, furniture, and equipment; travel; and other applicable costs.)

1. In 2018 salaries & benefits for part-time court security deputies were \$308,144
2. Requesting to use \$208,000 of the \$308,144 to fund two FTE court security deputies
3. Remaining funds would be used to fund only 5 part-time court security deputies instead of 13
4. This would reduce approximately \$26,000 per year of re-occurring costs to hire, train, equip and retain such a large pool of part-time deputies.

B. Explain specifically how position will be funded.

Amount of County tax levy: Not requesting additional funds (See above) % of total costs: 100% of current costs are from tax levy

Amount of any outside funding: NA % of total costs: NA

Source of outside funding: NA

Length of outside funding: NA

Likelihood of funding renewal: NA

Would this outside funding be used to offset the levy if not used for this position? NA

C. Will the proposed position allow your department to increase revenues or decrease expenditures beyond the cost of the position? If yes, how?

Yes, by reducing re-occurring costs by approximately \$26,000.

D. Does the proposed position provide preventive services that will lead to cost avoidance or more extensive services in the future? OR Can the proposed position be justified as an investment with future benefits to the County greater than the cost of the position? If yes, how?

These 2 new positions should not lead to cost avoidance or more extensive services in the future. These positions are an investment with future benefits to the county as it provides a safe and secure courthouse for its employees and the public.

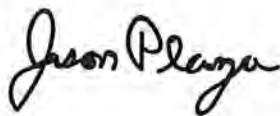

E. Can the position costs be offset by eliminating or reducing a lower priority function? If yes, explain.

The proposal is to eliminate 8 part-time court security deputies creating a yearly savings of approximately \$26,000.

V. COMMITTEE OF JURISDICTION

What is the recommendation of the committee of jurisdiction?

NOTE: An updated or new Position Description Questionnaire (PDQ) may be necessary to complete the job evaluation process.

Sec. 3.20. - Sale of tax delinquent land.

- (1) *County Board Delegation.* The County Board does hereby delegate to the County Clerk or designee (hereunder for this section County Clerk is fully understood to include the designee) the power to manage and sell all tax deeded lands pursuant to policy guidelines established by the committee of jurisdiction. The Finance and Property Committee, or its successor committee, shall be the committee of jurisdiction. The committee shall be assisted by both the County Clerk's office and the County Treasurer's office.
- (2) *Committee of Jurisdiction.* The Finance and Property Committee shall determine all policies to be followed with respect to the acquisition, management and/or sale of tax deeded property, pursuant to Ch. 75, Wis. Stats., and ordinance criteria set forth herein. In this section, the term "appraised value" means the value of tax deeded property determined at the discretion of the Finance and Property Committee.
- (3) *Authority of County Clerk.* The County Clerk shall have the responsibility to carry out all duties delegated to that office by the Wisconsin Statutes and, in addition, shall do the following:
 - (a) Notify other county departments that Marathon County has acquired tax deeded property in the event those departments determine that said property falls within county program needs.
 - (b) Retain professional assistance necessary in order to carry out the sale of tax deeded property. Such professionals shall include, but not be limited to, licensed appraisers, real estate brokers, real estate salesman and others as may be needed for overall management and possible sale of these properties. An annual budget shall be established in the County Clerk's office for such expenses.
 - (c) Have the discretion to permit and/or authorize reasonable maintenance, access and/or use of tax deeded property pending sale.
 - (d) All vacant lands acquired by tax deed shall be deemed open to reasonable recreational use unless posted by the County Clerk under the authority granted above.
- (4)

The Finance and Property Committee may direct the County Clerk to readvertise the sale of such property by publication of a Class 1 notice, for an amount less than the property's appraised value and may accept the bid most advantageous to the County as set forth above.

- (c) A ten-percent deposit of the bid must accompany all sealed bids. Unsuccessful bidders' deposits will be refunded.
 - (d) The successful bidder has 45 days from the date written notice is sent by certified mail to pay the balance of the bid. Upon payment of the balance plus recording fees, a quit claim deed will be issued by the County Clerk to the bidder. If the bidder does not pay the balance within 45 days, he or she will forfeit the ten-percent deposit.
 - (e) Proceeds from public sale shall be distributed in accordance with § 75.36(2m), (3) and (4), Wis. Stats., or their successor statutes, including any costs of acquisition, maintenance or sale permitted by law.
 - (f) This section shall not apply to the exchange of property or to the withdrawal and sale of county forest lands or the sale or exchange of land to or between municipalities or to the state.
- (7) *Notice to Municipality where property is located.* No tax delinquent real property shall be sold by the County Clerk under paragraph (6), unless notice of such sale is mailed to the clerk of the municipality in which the real estate is located at least six weeks prior to the publication of the first legal notice. Land may be retained by the County under paragraph (5) without prior notice to the municipality.
- (8) *Sale of tax delinquent property to municipality.* Any municipality, upon prior authorization and approval by its governing board and the County Board, may sign an agreement on terms of the sale of tax delinquent land and the agreement will then be operative between the county and the municipality. The county may agree to sell tax delinquent property at private sale to a municipality under the following terms:
- (a) Unpaid general property taxes, special assessments, special charges, and special taxes levied against the property including interest and penalties; or
 - (b) The "appraised value" of the property, whichever is less.
- (9) *Homestead property.*
