James Griesbach
Highway Commissioner
Marathon County Highway Department
1430 West Street
Wausau, WI 54401

Dear Mr. Griesbach:

I am writing to confirm my support for relocating the access points on County Road R from the locations illustrated in the 2002 plat to new locations approximately 455' and 996' from Snowflake Lane. The northern access point would provide access to my existing property and the southern access would provide access for development proposed by RBMTN LLC.

In the event I would further subdivide or develop my property at 4202 Hummingbird Road, the existing residential driveway will be removed and a commercial driveway or public street will be constructed at the northern edge of my property; approximately 455' from Snowflake Lane.

Sincerely,

A handwritten signature in cursive script that reads "Ronald Wimmer".
