#### 1. Call Meeting to Order

The meeting was called to order at 10:05 a.m. by Chair Lance Leonhard.

# 2. Approval of the October 25, 2018 RCA Minutes

MOTION BY BERGSTROM TO APPROVE THE OCTOBER 25, 2018 RETAINED COUNTY AUTHORITY COMMITTEE MINUTES, SECOND BY BILLEB. MOTION CARRIED. MINUTES APPROVED.

# 3. Educational Presentations/Outcome Monitoring Reports

- A. NCHC CEO update
  - 1. <u>Evaluation of viability of Aging Disability Resource Center of Central Wisconsin providing</u>
    Adult Protective Services
  - 2. <u>Evaluation of viability of Marathon County Special Education providing Birth to Three services</u>

#### Discussion

NCHC CEO Michael Loy provides a brief update relative to each of the two program evaluations. Loy provides a handout outlining the projected considerations when evaluating each of the service delivery changes and a draft decision-making framework to be followed.

# Follow through:

Updates to be placed on future agendas and each RCA member should loop in their respective "home" committee. RCA Chair is to inform Robin Stowe of this discussion prior to next meeting.

# 4. Policy Issues Discussion and Possible Action

A. <u>Proposal/Application for Program Creation: North Central Recovery Coaching Collaborative</u> *Discussion:* 

NCHC Human Services Executive Laura Scudiere explains the nature of the recovery coaching model and the how that model was brought to Central Wisconsin. Scudiere reviews the program application and indicates that NCHC is interested in taking on a collaborative model that provides increased support and clinical oversight to the recovery coaches. Scudiere explains that this program does fit into the continuum of care that NCHC delivers and Loy explains that it has the added benefit of providing another avenue through which NCHC may be able to recruit skilled individuals for clinical positions within the organization.

Loy and Scudiere answer questions from committee members, further clarifying that each is confident that NCHC will be able to secure funding to offset the costs associated with the delivery of the program for at least three years, which would allow NCHC to assess the value and viability of the program.

# Action:

Motion to approve the proposal for implementation of the North Central Health Care Recovery Coach Collaborative, contingent upon the approval of the collaborative by the NCCSP Board, by Billeb, second by Bergstrom. Motion carried.

# Follow through: None Necessary

- B. RCA Performance Expectations and Outcomes Implementation update on progress and 2019 Target Setting
  - 1. Referral Source Satisfaction Update

#### Discussion:

Loy reviews the 2018 Primary Dashboard Measure List provided within the packet. Loy explains that he and his team are in the process of setting preliminary 2019 targets and he anticipates coming back to the RCA with 2018 year-to-date results to assist in target setting. Loy addresses questions regarding the delay in getting the referral source satisfaction measure in place in 2018, explaining that NCHC has had to transition to a new vendor for its patient satisfaction data collection and that this has not made implementation of the referral source satisfaction measure feasible. Loy expresses that NCHC is now working with CCITC to develop a mechanism to survey referral sources one or two times per year. Following committee discussion, consensus emerges that a more frequent survey, upon every referral if possible, would be far more valuable; as committee members express concern that infrequent surveying may lead to increased focus on incidents that are highly memorable, as opposed to being indicative of day-to-day interaction.

#### Action: None

# Follow through:

Loy to bring year end results to the next RCA meeting for purposes of setting targets. Loy is encouraged to work with CCITC to develop an incident-based referral survey system for referral sources.

RCA to consider developing a survey system for NCHC staff relative to services delivered by county departments and other non-NCHC partners (i.e., Social Services, law enforcement, corporation counsel).

# C. Consideration of the CEO Compensation memorandum from NCHC Board

#### Discussion:

Leonhard provides committee members a copy of a memorandum that was reviewed by the NCCSP Board on October 25, 2018, explaining that the NCCSP Board forwarded the memorandum to this committee for consideration and potential approval. NCCSP Board Chair Zriny and Leonhard provide a brief explanation of the CEO appraisal process. Board Chair Zriny expresses that the memorandum is structured in a way that is more similar to that which is "standard" within private industry. Committee members briefly discuss the operations of the payfor-performance compensation policy within Marathon County.

# Action:

Acknowledgement of receipt of the memorandum and motion to place the document on file for consideration during the appraisal process by Leonhard, second by Billeb. Motion carried.

# Follow through:

Leonhard to work with Board Chair Zriny to initiate CEO evaluation process as required by previously approved timeline.

### 5. Next Meeting Time, Location, Agenda Items and Reports to the County Board

- A. Discussion of Future Agenda Items and Meeting Times: January 31, 2019, at 2:30 p.m.
  - 1. In light of scheduling conflicts amongst committee members, Leonhard to seek input via an online poll for an alternative January meeting date.
- 6. Adjournment of the RCA Committee Meeting MOTION BY BILLEB, SECOND BY BERGSTROM, TO ADJOURN THE MEETING. MOTION CARRIED. Meeting adjourned at 11:50 a.m.
